JOIN THE CONVERSATION

Share your unique message, research, art, and discoveries

I. Submit a Pre-Recorded Video

A video of 5 minutes max to be shown during the broadcast

You may wish to address some of the questions below with your own research and discoveries:

- What message can you share about/from the Waters for the world to listen?
- What water wisdom, research or discoveries can you share?
- What would you like to see for water that would benefit the world?
- How would you like World Water Day and World Water Gathering to serve generations to come?
- How would you like a dialogue on water to flow?
- How could we develop and deepen our relationship to water, to nature, to life, and to each other?
- Where have we gone wrong?

VIDEO GUIDELINES

Duration: 5 min maximum

Angle: Filmed horizontally, ensure that the camera does not move.

Audio: Make sure the sound of your voice is clear and audible. Use an external microphone (clip-on or mounted on a stand), if possible

Visual: Choose an attractive back-ground; film in the highest quality possible

Deadline: Please submit by March 18th

II. Upload Your Video

Using the following link

<https://unify.wetransfer.com/>

III. Register Your Participation

Tell us more about you & your submission:

<http://bit.ly/WorldWaterDayVideo>

Your name and link will appear under your video on the broadcast. Please avoid presenting yourself on the video or explaining what your team does as people can research deeper by the subtitles with your information.

Further Involvement

Would you be open for a live interview on World Water Day, 22 March 2021?

Would you be willing to contribute to global education on water?

Additional Content

If you have additional content online of yourself or the topics we are exploring or if you have specific footage with your work/music for us to share leading up to the event or footage that can be shown during the broadcast, please share links & files with us when you register.

Agreement

By sharing a video for the MANAVAI you grant a nonexclusive, irrevocable worldwide license to use, reproduce, make derivative works, publish, and share your videotaped content through their own channels, or channels that are approved partners of MANAVAI. This license does not prohibit you from using your video in the future in your own professional or personal work.
